Attorney General Moody's Week In Review - Nov. 10, 2022

This week, our nation will celebrate Veterans Day.

As we recognize this important occasion, please join me in thanking the valiant men and women who served in the U.S. armed forces, including the more than 1.5 million that call Florida home.

The rights and freedoms we enjoy today were won and protected by these brave patriots who were willing to risk their lives for our country.

November is also Military Family Appreciation Month. While honor rightly belongs to those who serve, families sacrifice too—sleepless nights, lonely holidays and the worry that comes with loving someone who courageously answers the call to serve.

So, from the bottom of my heart, I want to extend my deepest gratitude and appreciation for all of our brave veterans who have honorably served this country and the families who back them.

Thank you for making the United States a nation of prosperity and opportunity for

all. We would not be the land of the free without the service and sacrifice of the brave.

God bless you, and God bless America.

Protecting Floridians

Attorney General Moody Activates Price Gouging Hotline as Nicole Approaches Florida

Attorney General Ashley Moody activated Florida's Price Gouging Hotline with Nicole approaching the state. The activation comes following Governor Ron DeSantis's state of emergency declaration for 34 counties, then extending to all 67 counties after updated projections of the storm showed more areas could be impacted. In areas covered by the state of emergency, Floridians can report instances of severe price increases on essential commodities needed to prepare for the storm. Florida's price gouging law only applies to commodities and services essential to preparing for, or recovering from, a storm within the areas of a declared state of emergency.

Attorney General Ashley Moody said, "As Subtropical System Nicole approaches the state, Floridians should make preparations now. If anyone suspects price gouging, report it to my office by calling 1(866) 9NO-SCAM, filing online at MyFloridaLegal.com or using our free No Scam reporting app." [Read More](#)
