

STATE OF FLORIDA

JAMES UTHMEIER
ATTORNEY GENERAL

July 1, 2026

The Honorable Monique H. Worrell
Office of the State Attorney
Ninth Judicial Circuit
415 North Orange Avenue
Orlando, Florida 32801

Dear Madame State Attorney:

I have received your letter, dated May 15, 2026, in which you take zero responsibility for the leniency shown to murderers and pedophiles in your circuit. On one hand, you emphasize that courts impose youthful offender sentences; on the other, you characterize prosecutorial discretion as insulating your office from any meaningful accountability for those sentences. You are not powerless to influence sentencing outcomes, nor can you have discretion without responsibility. The judge's role is irrelevant to your duty to oppose lenient dispositions for the undeserving. And as the Florida Supreme Court previously told you, prosecutorial discretion is "no complete defense to an allegation of incompetence or dereliction of duty."¹ Your office's charging decisions, plea agreements, and sentencing recommendations are putting the people of Florida at risk.

The attached documents reflect prosecutorial decisions from your office that contributed to the aforementioned miscarriages of justice.

Sincerely,

James Uthmeier
Attorney General

¹ *Worrell v. DeSantis*, 386 So. 3d 867, 872 (Fla. 2024) (affirming the Governor's suspension of Monique Worrell).

REASONS FOR DEPARTURE - MITIGATING CIRCUMSTANCES

(reasons may be checked here or written on the scoresheet)

- ☐ Legitimate, uncoerced plea bargain.
- ☐ The Defendant was an accomplice to the offense and was a relatively minor participant in the criminal conduct.
- ☐ The capacity of the defendant to appreciate the criminal nature of the conduct or to conform that conduct to the requirements of the law was substantially impaired.
- ☐ The defendant requires specialized treatment for a mental disorder that is unrelated to substance abuse or addiction, or for a physical disability, and the defendant is amenable to treatment.
- ☐ The need for payment of restitution to the victim outweighs the need for a prison sentence.
- ☐ The victim was an initiator, willing participant, aggressor, or provoker of the incident.
- ☐ The defendant acted under extreme duress or under the domination of another person.
- ☐ Before the identity of the defendant was determined, the victim was substantially compensated.
- ☐ The defendant cooperated with the State to resolve the current offense or any other offense.
- ☐ The offense was committed in an unsophisticated manner and was isolated incident for which the defendant has shown remorse.
- ☐ At the time of the offense the defendant was too young to appreciate the consequences of the offense.
- ☒ The defendant is to be sentenced as a youthful offender.

Pursuant to 921.0026(3) the defendant's substance abuse or addiction does not justify a downward departure from the lowest possible sentence, except for provisions of s.921.0026(2)(m).
